ACTIVATION

When the plan will be activated

This plan will be activated when a member of the Parish Council considers it necessary to act in response to an incident, and when action cannot be taken effectively without triggering the arrangements outlined in this document.

The Community Emergency Team will often be notified by the local authority, emergency services, residents, or dedicated roles such as Flood Wardens, of a potential emergency.

The following people can activate the plan:

- Chairman Shepherd Tel: 01482 631193
- Vice Chairman May Tel: 07801381000
- Parish Clerk, Mrs M Hopton Tel: 01482 632309

HOW THE PLAN WILL BE ACTIVATED

This plan will be activated when one of the persons listed above decides that the plan should be triggered.

CONTACT
CHAIRMAN, VICE CHAIRMAN OR
CLERK

CONTACT
EAST RIDING OF YORKSHIRE FOR
INSTRUCTIONS AND CHECK IF
EMERGENCY SERVICES HAVE BEEN
NOTIFIED.

CONTACT
PARISH COUNCIL MEMBERS
ARRANGE MEETING TIME AND PLACE

CONTACT
Key holders to Village Hall (first shelter option)
or St Barnabas Church (second shelter option)

LIAISE
Meet at Village Hall to organise and liaise with authorities (Police etc)

ALERT
Other organisations in village, such as Swanland House, Haldenby Court,
Neighbourhood Watch, GP, Local Media, Churches, WVS, SVA, Swanland
Playing Fields Assn.

INITIAL ACTIONS

- **GATHER AS MUCH INFORMATION ABOUT THE SITUATION AS POSSIBLE. MAKE CONTACT WITH THE EMERGENCY SERVICES / EAST RIDING OF YORKSHIRE COUNCIL IF THEY ARE INVOLVED IN THE INCIDENT.**
- **CONSIDER WHETHER YOU CAN WORK EFFECTIVELY FROM YOUR CURRENT LOCATION, OR WHETHER YOU NEED TO MOVE TO AN ALTERNATE LOCATION.**
- **CONSIDER WHETHER YOU NEED TO GATHER THE PARISH COUNCIL EMERGENCY TEAM.**
- **CONSIDER IDENTIFYING AREAS OF VILLAGE AT RISK AND MAKING CONTACT WITH VULNERABLE MEMBERS OF COMMUNITY IN THOSE AREAS IN ORDER TO ARRANGE FOR ADVICE/ASSISTANCE TO BE OFFERED.**
- **ARRANGE FOR THE COMMUNITY RESOURCES/ORGANISATIONS IDENTIFIED IN ON PAGE 8 TO BE MADE AVAILABLE AS NECESSARY.**

CONSIDER WHETHER ANY ADDITIONAL MEMBERS OF THE COMMUNITY NEED TO BE INVOLVED.

PRE-PLANNING TO AID THE RESPONSE

EMERGENCY TEAM

In the event of the plan being triggered the following have agreed to form part of the emergency team who will help to mitigate the effects on the community:

Parish Council Members

INCIDENT ROOM

If an emergency team is brought together, it has been agreed that they will meet in one of the following location(s):

Swanland Village Hall
St Barnabas Church
Swanland Playing Fields

EMERGENCY BOX

N/A

CONTACT DETAILS OF CLERKS IN NEARBY PARISHES IF NEED ARISES

North Ferriby – Tel: 01482 631822 clerk@nfpccouncil.karoo.co.uk

FLOODING CONTACT NUMBERS

- Environment Agency trained operators are available 24 hours a day seven day a week and can provide immediate practical advice on flood risk and what to do before, during and after a flood. Telephone number Tel: 0845 988 1188. For the deaf and hard of hearing there is a Minicom service 0845 602 6340.
- East Riding of Yorkshire is responsible for the drains that remove surface water from the highway. In the event of significant highway flooding, the council works with other bodies to provide an emergency response, such as the provision of sandbags.
- Highways customer care - Tel: 0845 6001666 or 01482 393939
- Yorkshire Water is usually responsible for sewer drains in the roads and blocked sewers – Tel: 0845 124 24 24 Emergency No. 0800 573 553

<p style="text-align: center;">EAST RIDING OF YORKSHIRE COUNCIL'S RESPONSE TO A TYPICAL MAJOR INCIDENT</p>

1 – Incident Scene / Multi Agency Operational (Bronze) Coordinating Group

Humberside Fire and Rescue Service would establish an “inner cordon” around the immediate vicinity of an incident. Only essential personnel would be allowed access, such as fire fighters, paramedics and Building Control Officers.

A Multi Agency Operational (Bronze) Coordinating Group would be established to control and deploy the resources concerned with dealing with the immediate incident.

Humberside Police would establish an outer cordon at a safe distance away from the scene. Only personnel involved in the response would be allowed within the outer cordon. Resources that may be needed in the response, such as emergency transport, would be held at a marshalling area at the outer cordon ready for use.

2 – Multi Agency Tactical (Silver) Coordinating Group

The Multi Agency Tactical (Silver) Coordinating Group would be located at a safe distance away from the incident scene.

It would determine priorities in allocating resources, plan and co-ordinate when tasks were to be undertaken, consider the wider implications of the incident and ensure that the Operational Group had sufficient resources.

It would be chaired by Humberside Police, who take a coordinating role in almost all major incidents, and would be attended by representatives of all responding organisations.

East Riding of Yorkshire Council would be represented at this Group by a Forward Liaison Officer (see heading 8).

At the beginning of the response phase the chair of the silver command would pass to the Council, the Environment Agency or the Primary Care Trusts.

3 – Multi Agency Strategic (Gold) Level Coordinating Group

Emergencies that have major implications, usually for more than one unitary authority, may require a multi-agency response at a strategic level, in which case this group would be

established, chaired initially by Humberside Police.

The Strategic Co-ordination Group would meet at a location completely detached from the scene with suitable communications and meeting facilities. For the Humber area this would normally be at Police Headquarters, Hull.

The Strategic Co-ordination Group would determine the multi agency strategic issues relevant to the incident including the management of the aftermath of the incident and the return to normality.

All responding organisations would be represented by a deputy that has authority to commit his/her organisation to strategic decisions. East Riding of Yorkshire Council would be represented at this Group by a member of CMT.

4- Regional Civil Contingencies Committee

This new level of command may be established if an incident has implications for one or more Government Office regions. Such recent incidents would have included the Fuel Crisis and the Foot and Mouth outbreak.

The committee would be responsible for prioritising resources at a regional level and for reporting directly to the Government.

An officer from the Humber multi agency strategic (Gold Level) coordinating group would represent our area on this committee.

5 - Council Operational Staff and 6 - Council Directorates

Council staff would only be asked to carry out their normal day to day role in an emergency situation. For example, a Building Control Officer may become involved with structural safety following an explosion, Public Protection officers may be involved with pollution and Highways staff may be involved in sandbagging and road closures.

The Directorate's representative in the Emergency Control Centre would coordinate their involvement in the emergency.

7 – Control Centre Manager / Emergency Control Centre

A Head of Service acting as a Control Centre Manager would co-ordinate the Council's response to an incident.

The Control Centre Manager would usually operate from the Kries Lippe Room, which is equipped with communications, stationary and emergency plans. A control team made up of representatives from each Directorate would support them. Bringing this team together:

- **helps** to provide a co-ordinated council response.
- **allows** information to be shared more efficiently
- **allows** requests for services to be actioned more quickly.
- **allows** each directorate to see how the incident could impact on them and how their department could offer assistance.

The Control Centre Manager has a list of all the Parish and Town Council's that have prepared emergency plans, along with their contact details, and will make contact as soon as initial actions have been completed.

The Control Centre Manager communicates with the scene of the incident through a Forward Liaison Officer.

8 – Council's Forward Liaison Officer(s)

A Forward Liaison Officer is the Council's representative at the Multi Agency Tactical Coordinating Group (see heading 2). All requests for Council support are made through the Forward Liaison Officer who then speaks directly to the Control Centre Manager.

A Forward Liaison Officer can:

- Obtain regular position statements regarding the incident
- Facilitate a swift response to a request for Council Services
- Identify where Council Services can assist in the response to the incident
- Assess the impact of the incident on the Council and the Community

9 - Emergency Management Team

The Emergency Management Team is an emergency meeting of CMT to provide the strategic framework and authorisation for the activities of the Emergency Control Centre.

The need for an Emergency Management Team meeting will be discussed between the Control Centre Manager and CMT.

10 – Council's Strategic Representative

If a Strategic Level (Gold) Coordinating Group was established a member of CMT would be invited to attend. The Group would examine the multi agency strategic issues relevant to the incident, including the management of the aftermath and the return to normality.

The Council's Strategic Representative would liaise with the Emergency Management Team and the Control Centre Manager.

COMMUNITY EMERGENCY PLAN CRITERIA
--

- **ACTIVITIES WILL ONLY BE CARRIED OUT IF CONDITIONS ALLOW PEOPLE TO WORK SAFELY**

 - **TEAM WILL MONITOR WEATHER FORECASTS AND TRIGGER ARRANGEMENTS WHEN THE FOLLOWING: -**
 1. **CONDITIONS CAUSE OR THREATEN TO CAUSE SIGNIFICANT RISK OF INJURY**

 2. **CONDITIONS CAUSE, OR THREATEN TO CAUSE SIGNIFICANT AND PROLONGED DISRUPTION TO TRANSPORT, FOOD, WATER, GAS, ELECTRICITY OR HEALTH SERVICES.**
- AND/OR**
3. **MEMBERS OF THE COMMUNITY REPORT SERIOUS AND PROLONGED DIFFICULTIES BEING EXPERIENCED WITH SLIPS, TRIPS AND FALLS, TRANSPORTATION OR WITH ESSENTIAL SERVICES.**

IDENTIFIED SNOW CLEARANCE AREAS

PRIMARY BUS ROUTES COVERED BY ERYC

WESTELLA ROAD, GREENSTILES LANE, MAIN STREET, WEST END, WEST LEYS ROAD. See map on next page.

SECONDARY ROUTES IDENTIFIED BY SWANLAND PARISH COUNCIL

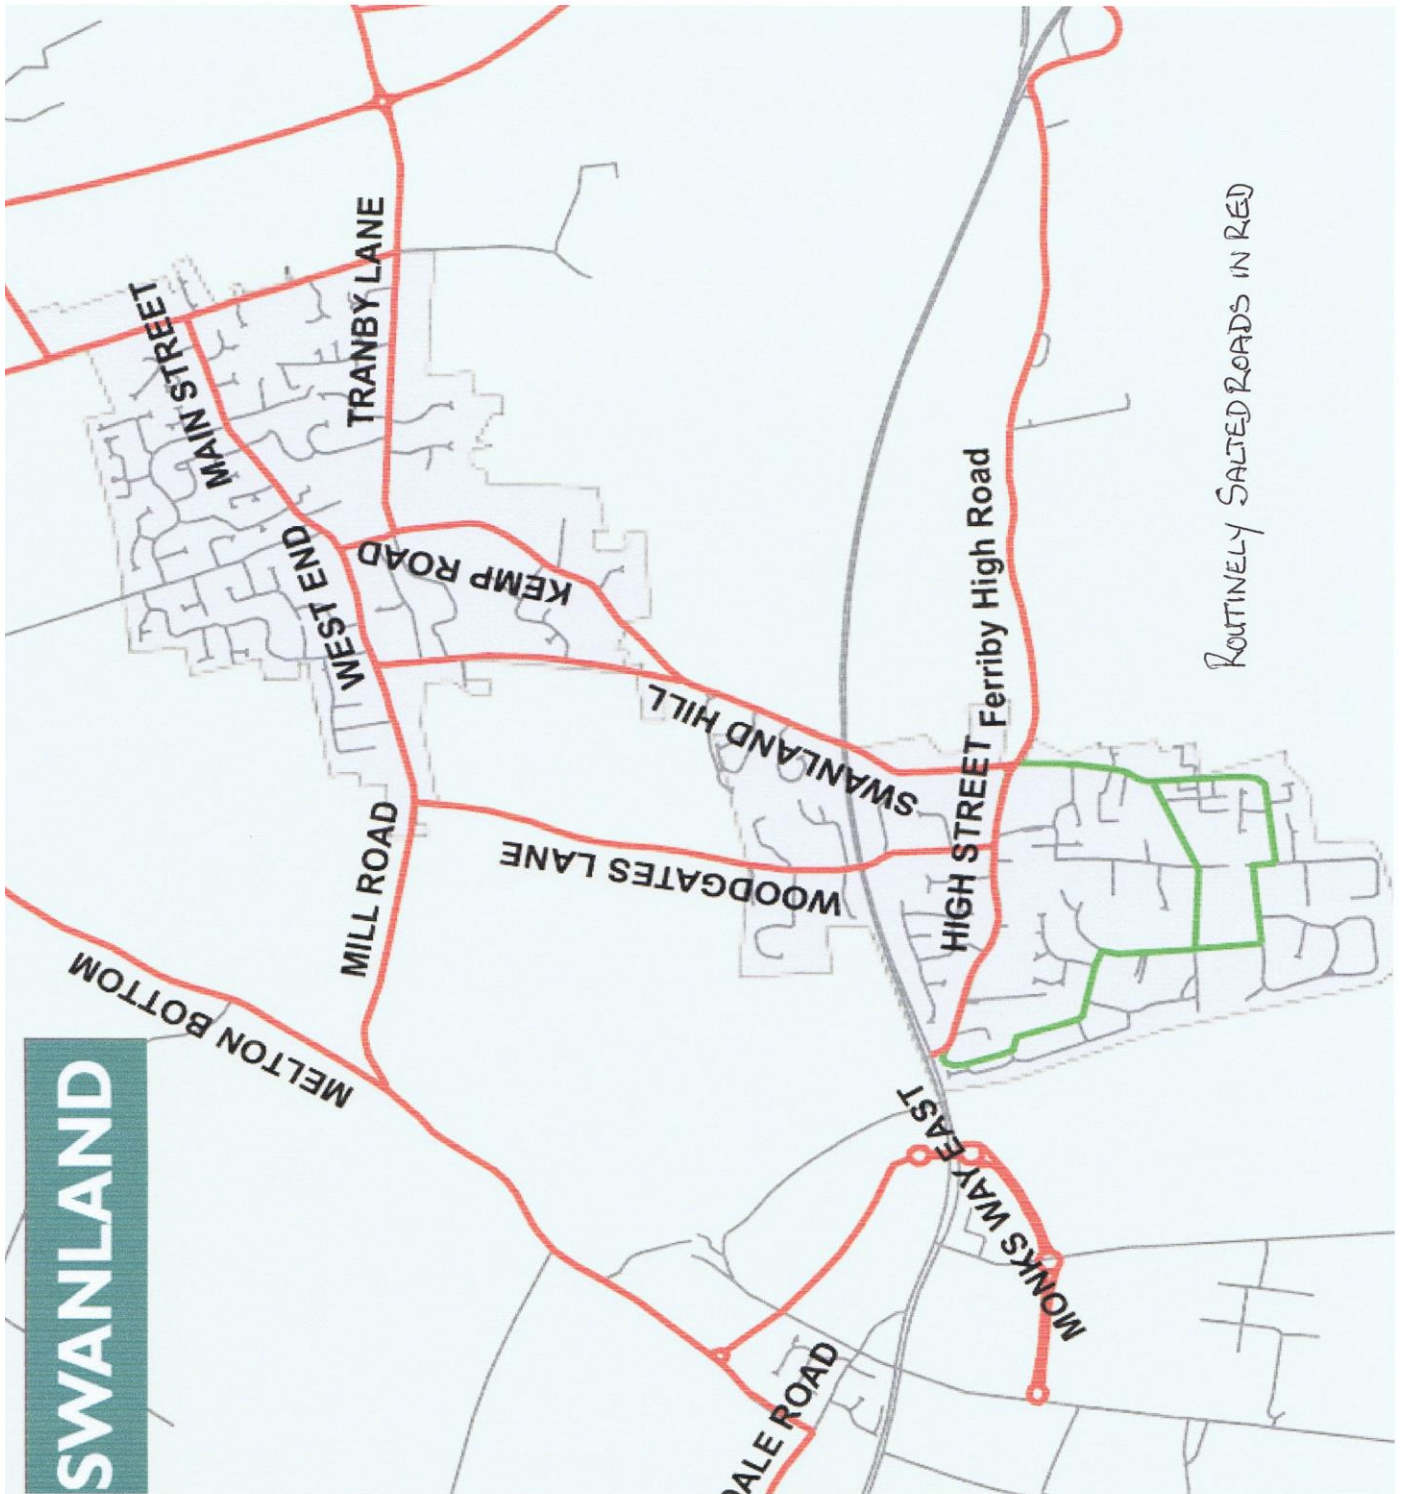

ROADS WITH STEEP INCLINES LEADING ONTO MAIN STREET.

- **ST BARNABAS DRIVE**
- **NORTHFIELD, LINKING FROM MAIN STREET TO DALE ROAD**
- **DOWER RISE**
- **PRIORY CLOSE**
- **MERE WAY**
- **DALE ROAD FROM MAIN STREET TO WESTERDALE.**

TERTIARY through ROUTES **IDENTIFIED BY SWANLAND PARISH COUNCIL**

- **Mill Road and Mill Rise through to West Field Lane**
 - **Queensbury Way through to Chantry Way East**
 - **Manor Road**
 - **West Leys Park**
-
-

STRATEGIC ROAD NETWORK B1231 TRANBY LANE TO KEMP ROAD FROM ANLABY

SNOW CLEARANCE RESOURCES

LOCAL FARMER MARTIN MAY Mob: 07801381000
Additional contractors as listed by East Riding

The Parish Council has entered into an agreement with the Local Farmer to clear areas identified on page 16 when requested by the Community Emergency Team. Should the need arise then outside contractors will be contacted.

Checks have been made to ensure that the Farmer has the appropriate license, training and insurance to carry out these activities.

HEALTH AND SAFETY RISK ASSESSMENT

- **Before** the plan is triggered appropriate risk, assessments have been undertaken and applicable methods of safe working put in place.
- **Participants** should be briefed on activities with access to equipment and supplies
- **Suitable** breaks to be taken, health of participants to be considered
- **Adequate** insurances
- **Appropriate** resources of materials e.g. equipment, salt, barrows etc
- **Protective** equipment e.g. clothing
- **Equipment** should be fit for purpose, maintained, training
- **Consideration** of environment e.g. time of day, weather, slopes etc.
- **Manual handling** e.g. lifting equipment, loading salt
- **Lone working** e.g. method of contact, emergency procedures etc
- **Thermal** effects e.g. clothing, PPE, hot drinks etc
- **Vehicle** accident e.g. vehicle maintenance, trained operator etc
- **Road** accident e.g. breakdown, emergency and safety controls
- **Working** on the highway, safety first.
- **Other equipment** e.g. accidents such as falls, attaching snow ploughs etc
- **Substances** hazardous to health e.g. rock salt, vehicle oils/fuels
- **Wash down** of equipment
- **Clear** all equipment from footpaths and highways.

ADVICE ON ACTIONS TAKING PLACE

(ADAPT TO SUIT CONDITIONS AND AREA)

- **RECORD** snow clearance work carried out showing date/time, area, by whom, comments.
- **TREAT** light snow falls of 25mm or less with applications of salt.
- **DRIFTING OR HEAVY SNOW FALL** - trigger severe weather arrangements.
- **PRIORITISE** routes in order.
- **EARLY** morning removal of snow prevents snow packing and more difficult to move.
- **CLEAR** centre path first and clear from centre to sides.
- **AVOID** blocking drains.
- **PILE** snow where it does not block access.
- **SALT** areas cleared.
- **DO NOT** use water to melt snow; this would cause further hazards in freezing conditions.
- **FOLLOW** safety precautions and advice.
- **ENCOURAGE** community to clear around their own properties.
- **BROADCAST** advice to community

**COSTS FOR SNOW CLEARANCE CONTRACTORS
(AS 2011)**

1. AI & K I MAY, HUMBERDALE, TRANBY LANE, SWANLAND - £35.00 per hour
2. SAM ALLON (CONTRACTS), LINCOLN STREET, HULL

5 No. machines each @ £45 per hour. 6 No. lorries (HGV) @ £43 per hour. 7.5T lorry @ £32.00 per hour. Labour only to distribute grit and bins £17.50 per hour per man. Travelling time 1 hr each way. Weekdays 8-hour day – any time after 8 hours charged at time + ½, Saturdays Time +1/2, Sundays Double time. All prices net.
3. HUMBERSIDE FARMERS LTS, NEWBOLD LODGE, NORTH NEWBALD - £33.00 per hour.

If the contract is for 60 hours of snow clearance time at £35 per hour, by local farmer Mr May.

PLAN PUBLICATION

Electronic copies of this plan have been e-mailed to:

- **Members of Swanland Parish Council, East Riding of Yorkshire Council**

Hard copies of this plan are kept at:

- **Swanland Parish Council, 6 Westerdale, Swanland HU14 3RY
Tel: 01482 632309**

A web version of the plan **with the confidential information removed** has been posted on www.swanlandparish.org for public information.

PLAN MAINTENANCE

Plan Maintenance Roles and Responsibilities

- The Swanland Parish Council is responsible for making sure the plan complies with Data Protection, and all other appropriate legislation.
- The Swanland Parish Council will make sure that all the people who are involved in the plan aware of their role, and know that that they might be contacted during an emergency.
- The plan should be reviewed annually. During the review, every section of the plan should be checked for accuracy (telephone numbers, resource lists etc). Councillors Richardson and Dumsday and the Parish Clerk will have responsibility for reviewing the emergency plan.
- Any updates to the plan, or lessons that have been learned from exercises, should be approved before the plan is changed.
